Sandwich Education Foundation – Annual Fundraiser

In 1994, the Sandwich CUSD #430 **Foundation for Excellence in Education** was formed. The purpose of the Foundation has been to support, promote, supplement, and enrich the educational programs and activities of students; and to develop links with businesses and civic organizations. Since 1994, the Foundation has carried out its mission extremely well. Due to the efforts of the Foundation and its many benefactors, programs have continued to be enhanced throughout the district. Teaching and learning opportunities have been strengthened while community support for our schools continues to be generated.

Although the Sandwich CUSD #430 Foundation for Excellence works in close communication with the Board of Education, it is completely independent of the Board of Education. Foundation funds are obtained from individual and corporate tax-deductible contributions, as well as through other planned fundraising activities. Due to the communities continued generosity over the years, well over \$375,000 has been raised to help supplement positive programs and services for our students.

The Foundation leadership will make spending decisions, which is a Board of Trustees made up of local parents and citizens. Your involvement as a Board of Trustees member is welcomed and encouraged.

Presently, the Board of Trustees has been making plans for their annual fundraiser. The Foundation will be holding its annual fundraiser on **June 4, 2022** at the Edgebrook Golf Course. This year's event will again be a Casino Night. Since the event is a fundraiser, guests will not be winning real money at the tables. Instead, they will earn prize tickets that will give them a chance to win a variety of prizes.

Please feel free to contact the SEF for more information, to purchase tickets, or to make a donation. Should you have questions, the Board of Trustees can be reached at:
